CONDITIONAL LIFETIME WARRANTY

*Conditional Lifetime Warranty- Bruxzir Solid Zirconia and Zeternity Layered Zirconia come with a Standard 5 Year Warranty for crowns and bridges covering the core and overlay porcelain. We have included a Conditional Lifetime Warranty for Bruxzir and Zeternity single units after the 5 year Warranty has elapsed. The Lifetime Warranty is on the single unit cores themselves, not the overlay porcelain. Bridgework is only warranted for 5 years. The Lifetime Warranty is a reward for loyal customers and this is how it works: After the 5 years have elapsed a Conditional Lifetime Warranty against breakage kicks in for single unit zirconia cores. The condition is you have to be the original prescribing dentist, you are a current and loyal customer, you maintain a monthly account in good standing with a minimum of \$500 billed monthly services. The original invoice must be included to validate the lifetime warranty and you are responsible for storing and saving this record as the lab will not after 5 years. Both warranties cover workmanship and breakage. They do not cover accidents, root canals, abuse, color change, etc. The original prosthesis must be sent back with case to validate warranty.
